1. The DVLA no longer issues or updates paper licence counterparts, so in order for us to check your licence validity, all holders of DVLA driving licences must either provide a printout of their licence information online at www.gov.uk/view-driving-licence or a check code, which can be generated on the website. Please only generate the code when you are ready to submit this form, as they are only valid for a limited time. Please be careful when writing down your code as it is case sensitive and any errors are likely to delay your application. Please be aware that your application will not be considered valid until a printout or useable DVLA check code has been provided.
If you hold a non-UK licence, you will need to speak to the DVLA on 0300 790 6801, giving us permission to check if you have received any endorsements since you have been in the UK. Once you have given confirmation to the DVLA that we can carry out this check, please enter your licence number below and the date and time the confirmation was provided to the DVLA.
2. A list of appropriate DBS identity documents may be found at: <https://www.gov.uk/disclosure-barring-service-check/documents-the-applicant-must-provide->
3. Your right to work in the UK will be checked as part of your licensing application. This could include us checking your immigration status with the Home Office. You must therefore provide a document or document combination that is stipulated as being suitable for this check.
Examples of acceptable documentation include a British passport, EEA passport, a UK birth certificate together with an official document giving the NI number such as a P45 or P60, or a biometric immigration document indicating a right to stay indefinitely in the UK. You must bring the original document(s) so that the check can take place. You will need to bring in the document in person – you cannot ask another person to do this on your behalf. The document(s) will be copied and we will retain a copy. The original document will be returned to you.
If there are restrictions on the length of time you may work in the UK, your licence will not be issued for any longer than this period. In such circumstances, the check will be repeated each time you apply to renew or extend your licence. If, during this period, you are disqualified from holding a licence because you have not complied with the UK's immigration laws, your licence will lapse and you must return it to the Council. Failure to do so is a criminal offence.
