

# CLEAN AIR DESIGN COMPETITION

Design a poster  
that tells drivers not to keep their  
engine on while their car is stationary to  
help improve the air quality around your  
school.

Winning designs will feature  
on banners across the area, outside of  
schools, as well as on our website and  
social media.

Deadline:  
6th November

- Designs to be drawn on plain white A4 landscape paper.
- Scan and send your designs to 'pppcomms@westberks.gov.uk' by midnight on 6th November 2020.
- Email subject should be 'Clean Air Competition'.
- Submission must include your name, age and school.
- Designs will be judged on how you are promoting air quality visually. Entries will be on view on our social media (your details will not be shown).
- Winners will be announced on 1st December 2020 on PPP website, social media and to your school.
- One winner per key stage. Banner to include the three winners.
- The art work will be a representation of the winning design based on printing limitations.
