### Quick Call

Set the hotkeys to your own contacts and choose your driver, or set your favourite Taxi number to easily get in touch.

### Quick Search

Need alternative travel home? Quickly search for taxi numbers near you, or easily find alternative public transport to your destination.

### Safe / Unsafe Messaging

Easily let your chosen contacts know that you've arrived safely. Or feeling unsafe? Send them a message to let them know where you are, and for them to contact you.

### Location Messaging

Messaging at the push of a button to your chosen contact, to let them know where you are, and that you want to be picked up.

### Bus / Train Timer

Set the time for your chosen or last Bus / Train home, and get a reminder 30 minutes before the timer runs out to ensure that you don't miss it.

### Alcohol Calculator

Keep track of alcohol intake and stay within your recommended weekly allowance by keeping track of how many units and calories you've had.
