

STAMP OUT SPIKING

How can PCC's safeguard against spiking?
Choose the right resources for you...

Our training materials are available to be licensed to your PCC to strengthen your force's knowledge of spiking, be able to recognise the symptoms and act fast to safeguard the victim in the event of spiking.

The training materials include a 20 minute e-learning module and an in-depth interactive workshop for longer team building sessions.

Our public awareness video is available to be customised to signpost the public to local support services.

We have a bundle of marketing resources including posters and a thought provoking 'NEVER HAVE I EVER' campaign, designed to proactively safeguard your community.

**OUR MISSION IS TO STAMP OUT SPIKING
ACROSS THE UK AND WORLDWIDE,
SHOWING THAT DRINK SPIKING IS NOT
TOLERATED.**

**WE RECOMMEND THAT PREVENTION
DEVICES, SUCH AS STOPTOPPS, ARE
PROMOTED AND DISTRIBUTED IN
HOSPITALITY VENUES.**

STAMP OUT SPIKING

Sussex PCC Case Study

5 Arrests have been made in Brighton following a concerted effort to tackle drink spiking by Katy Bourne, Sussex PCC, with their Safe Space Sussex initiative

**Sussex
Police & Crime
Commissioner**

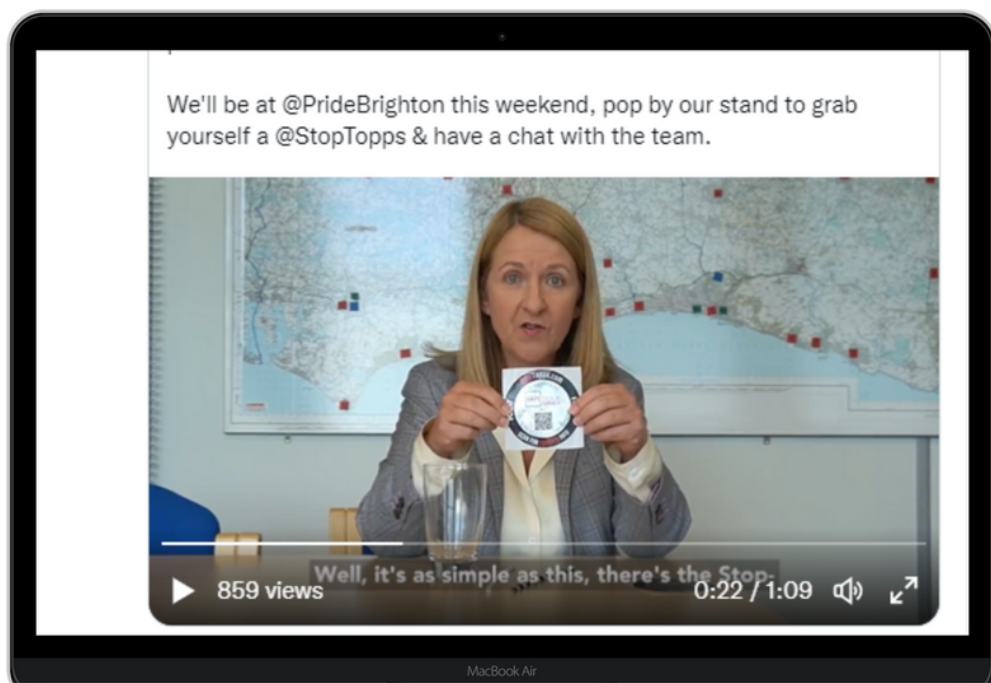

**SAFE SPACE
SUSSEX**

Safe Space Sussex provides an online directory of local victim and witness specialist support services as well as information about different types of crime and what happens at each stage of the criminal justice system, helping to 'demystify' the process for people when they may be at their most vulnerable.

Spiking resources provided included:

- 250,000 Stoptopps
- Personised Public Awareness Video
- Radio Appearances

Katy Bourne's campaign also took to social media to explain the initiative and the resources that would be available.

*"Protective drinks covers are given out everywhere. It just feels natural now to protect yourself."
